

# Travelling to England Flowchart

If you have decided to come to England and have booked a flight, you must inform the Admissions Team accordingly.

Please provide that at: [www.intostudy.com/uk/arrival-form](http://www.intostudy.com/uk/arrival-form)

## BEFORE YOU FLY

You must have proof of a negative coronavirus (COVID-19) test to travel to England.

You must take a test even if:  
- you are a UK citizen  
- you have already had the COVID-19 vaccine

You must take the test in the 3 days before the service on which you will arrive in England departs.

For more information on the type of test you must take, click [HERE](#).

If your test result is positive, you must not travel.

If your result is negative, you must bring evidence of your test with you.

Have you visited or travelled through a country on [THIS LIST](#) within 10 days of arriving in the UK?

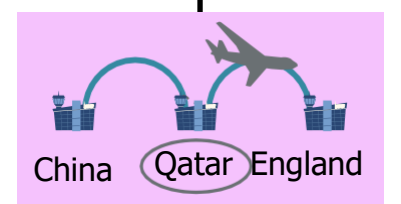

YES

NO

You MUST book and pay for a Managed Quarantine [HERE](#).

You MUST book and pay for a Travel Testing Package [HERE](#).

You will need to provide the name of the country you are flying to the UK from and a UK address for your tests to be delivered to. If you have a connecting flight, this is the country your last flight departed from (see below).

You must complete the Passenger Locator Form.

**PASSENGER LOCATER FORM**

You must do this within the 48 hours before you arrive.

## WHEN YOU ARRIVE

When you arrive in England, you must travel directly to the place you are staying and not leave until 10 days have passed.

For more information on how to quarantine, please click [HERE](#).

Inform the Centre of your arrival.

See Key Contacts for each centre on the link below for where to send that to:  
<https://help.intostudy.com/support/solutions/2/6000014479>

You must complete your two booked Covid-19 tests.

One on or before **DAY 2** of isolation.  
One on or after **DAY 8** of isolation.

If you have quarantined for 10 days and received a negative result to both your day 2 and day 8 tests, you may leave the place where you are quarantining.
