

## FATEH NEWSLETTER

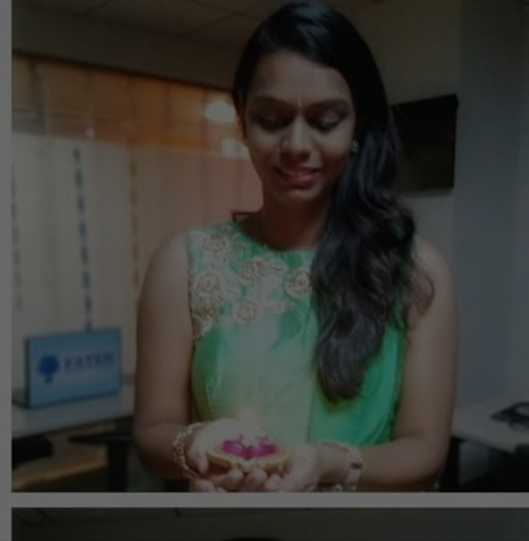

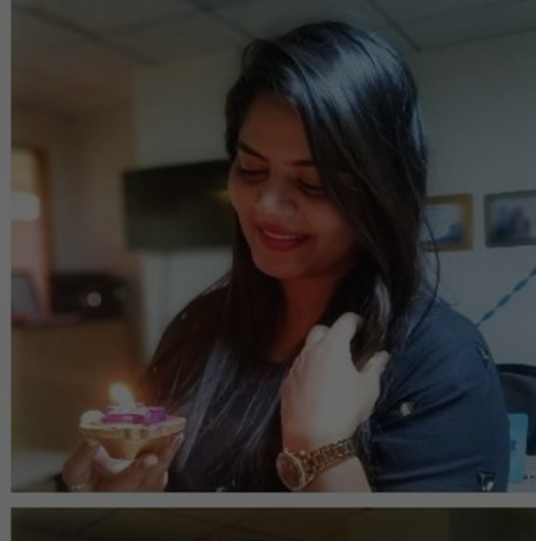

Over the last two decades, Diwali has become a major festival in the UK and Ireland for Indian students which is celebrated with great pomp and show. It is not any usual day with just lectures and labs instead it entails lights, exchanging gifts, sweets, organizing feasts and a marvelous firework display along with Bollywood nights. Although this year there were certain restrictions due to pandemic, but this didn't abstain the celebrations. Social gathering restricted to societies along with decorating the homes and exchanging gifts; however, all over the UK there was a virtual quiz organized on knowledge about Indian festivals, which was one of its kind.

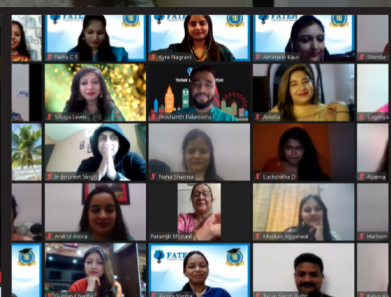

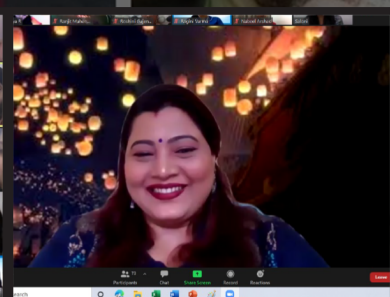

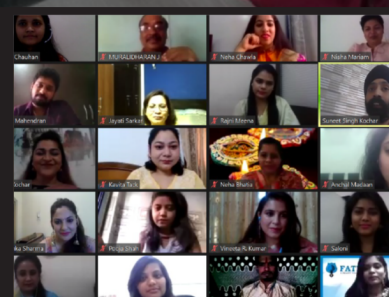

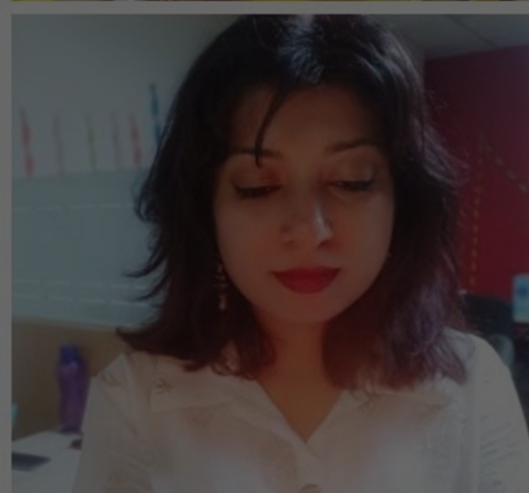

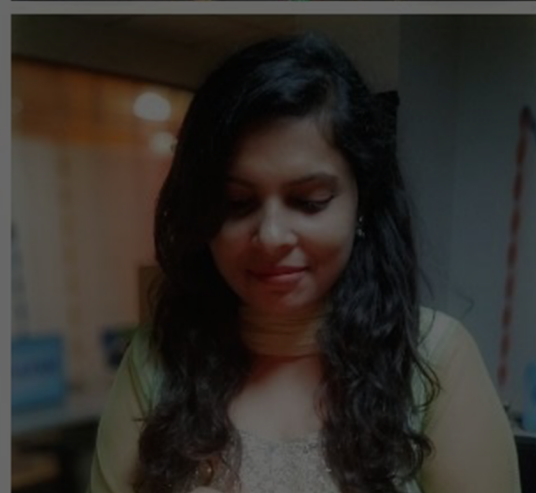

**FATEH**  
CONQUER YOUR DREAMS

Diwali has always been of great importance to us at Fateh Education, pertaining to a 5-day long celebration, while putting in special efforts to clean and decorate the surroundings concluding with exchanging of gifts. The icing on the cake were the decoration competitions and the best dressed awards. Although the pandemic presented a heart-breaking situation this year on Diwali, but Fateh Family didn't lose hope and came forward to keep the Diwali celebration going on with the biggest event of all times on a virtual platform with multiple live video performances while keeping the fighting spirit alive with the weapon of social distancing!

# Students Speak

It was a great experience!!! Many thanks to Fateh Education that helped me to fulfil my dream to study abroad. My friend recommended Fateh Education and in February 2020, I attended Irish Fair (Hotel Eros in Nehru Place) arranged by Fateh. Within a few days of approaching Fateh, achieving my goal, started to seem realistic and possible. Initially I was not sure if I would be able to get admission. Getting admission in a reputed international college is one thing and getting a scholarship is another, but Fateh knows how to put things in place for me. A "BIG Thanks" to Neha who was there for me with everything, has guided me in the right direction and helped me with my queries over phone, emails, zoom calls. In fact, she is like a mentor who not only supported me but also motivated me when I was feeling low. She has handled my Visa process smoothly and finally I got my study visa for Ireland. A Heartfelt thanks to Lhamo who helped me with all the required documentation and finance part. Many thanks to Ashish who helped me and was available even in the late evenings for me and whenever I needed him the most, especially for making all the payments.

I am immensely happy to know that I made a great choice to meet you and would highly recommend Fateh Education for those who are really passionate about achieving your dreams. Certainly, Fateh is the place for them.

Thank you so much Neha for all your support and patience with me :)

Wishing 'The Fateh' team and you All the Best and More Success in the coming future!

I am Ankit Gupta, a neonatologist and pediatrician working at BLK Superspeciality Hospital. I got selected to a fellowship course at Oxford, UK and had to clear IELTS academic test with a band score of 7.5, hence I joined Fateh 1-month course in January. I must admit I was really tensed as I had to get a high band score to clear but my experience at Fateh made all my apprehensions to vanish...

I was assigned Kanica Ma'am as my instructor and I must say it was best thing to happen. The tips she taught in the class specially in reading and writing sections were simple but so effective that I finished my exam 10 minutes in advance and even examiners were amazed. The help provided in tackling deceiving listening questions and the tricks to organize your thoughts in speaking section were excellent and really helpful. The practice tests, resource material and the group interaction that were encouraged during the classes helped me a lot. The friendly and chilled out classroom atmosphere was icing on the cake.

Thanks to all the help and guidance of Kanica Ma'am, I got an overall band score of 8 with score of 8.5 each in reading and listening sections, 7.5 in speaking and 7 in the writing section in my first attempt itself. Thanks to Kanica Ma'am and Fateh education in helping me realise my dream to train at a top university like Oxford. - **Ankit Gupta**
