INDIA VACCINATION DRIVE - FATEH TRULY CARES

India has been largely hit by the second wave of COVID and the day-to-day life is largely affected by the umpteen number of lockdowns. Finding a slot for vaccination is also a challenge for many, especially for students as the window for 18-44 opened last.

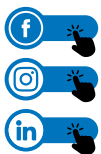

Understanding the gravity of the situation and the desire to contribute for the betterment of the society at large, Fateh Education organized a Vaccination Drive in Delhi on June 8 2021, as a part of the *"Fateh Truly Cares"* initiative.

About 300 people benefitted from the drive which included students, University delegates, employees of Fateh, family members of employees, people working at employee/university delegate's homes and friends in the industry.

Furthermore, Fateh is organizing vaccination drives in other key cities in India.

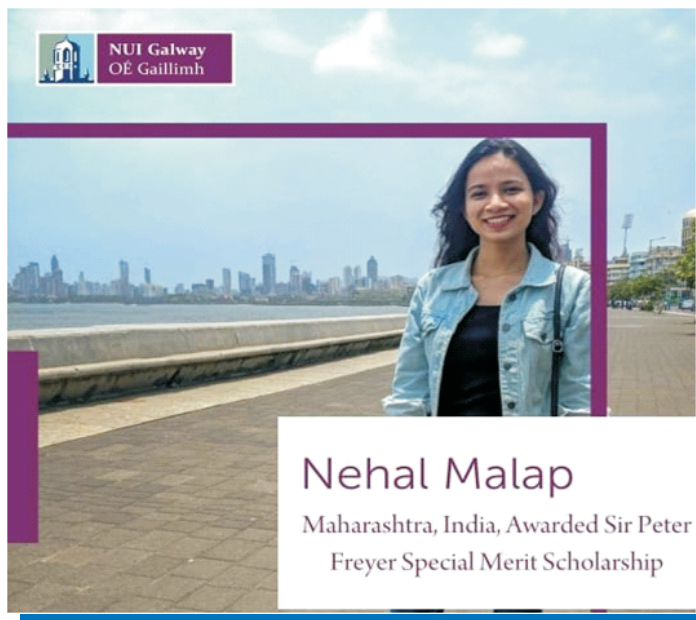

Chennai, Mumbai, Bangalore - 18th June 21

Students who are looking to get their first shot of Covishield vaccine (approved by the WHO), can contact Fateh via WhatsApp on +91- 9667207474 to register for their slot. To maintain social distancing, this drive is strictly - invite only
